EDUCATION

Computer Science Engineering, Acıbadem University
GPA: 3.65

2022-Present

PROJECTS

One Word Mood Ruby on Rails, SQLite, Giphy API

[GitHub](#)

- Developed a minimalist social media platform enabling users to express their emotions with a single word.
- Integrated the Giphy API to enhance user interaction through GIF-based mood representation.
- Implemented real-time data processing for instant post updates and engagement tracking.
- Utilized Devise for secure authentication, ensuring seamless login and user identity verification.

BOB - Movie Rating Website Django, PostgreSQL, JavaScript

[GitHub](#)

- Developed a web application where users can rate, comment on, and like movies.
- Implemented user authentication and profile management to personalize movie recommendations.
- Integrated a YouTube video parser to fetch and display trailers dynamically.
- Designed and optimized a relational database schema to handle movie-related data efficiently.

YouTube Video Parser Python, BeautifulSoup, Django Integration

[GitHub](#)

- Built a custom parser to extract movie trailers from YouTube based on search queries.

Portfolio Webpage ReactJS, Vite, TailwindCSS

[GitHub](#)

- ogulcanzorba.netlify.app
- Designed and developed a personal portfolio showcasing projects, skills, and contact information.
- Implemented a responsive UI with TailwindCSS for seamless navigation across devices.

AI Tutor with Google Gemini Google Gemini API, Python, AI Fine-Tuning

[GitHub](#)

- Developed an AI-powered tutor to assist students with exam preparation and learning.
- Fine-tuned the Gemini model to provide accurate and context-aware answers.
- Aimed to expand the project into a scalable AI-based education platform.

WORK HISTORY

IT Specialist Acıbadem Healthcare Group

July 2024 - August 2024

SKILLS

Languages	Python, Ruby, HTML, CSS, Javascript, SQL
Frameworks	React, Bootstrap, Django, Tensorflow, Rails
Tools	Git, Docker, TravisCI, GitLab, AWS

Soft Skills	Strong Work Ethic, Teamwork, Adaptive Learner Problem-Solving, Leadership, Analytical Thinking
--------------------	---
